PRODUCT DESCRIPTION

The Splitback Chair is the epitome of modern Scandinavian design, featuring clean lines and versatile functionality. Designed by renowned Danish designer Per Weiss, this one-seater chair seamlessly blends comfort and style, making it a perfect addition to lounges, artist dressing rooms, or VIP event areas.

Crafted with precision, the chair's trapezoidal backrest adjusts to three different positions, offering options for upright seating, relaxed lounging, or full reclining. The spacious seat and premium cushioning ensure maximum comfort, while the sleek chrome base adds a touch of elegance to any space.

Available for rent, the Splitback Chair comes in a range of materials and colors, including blue, brown, dark grey, and grey fabric, as well as black and white leather, allowing it to adapt to any design theme. Pair it with the Splitback Sofa to create a cohesive seating arrangement or a stylish room centerpiece. Whether for a short-term event or a long-term rental, the Splitback Chair ensures both practicality and sophistication.
