Durable white privacy screens designed to fit 11.5ft x 6.56ft temporary fence panels, providing privacy and security for events and VIP areas.

SKU: 1001027.00 | **Categories:** Crowd Control, Temporary Fencing

PRODUCT DESCRIPTION

Our **privacy screens** are tailored for 11.5ft x 6.56ft temporary fence panels, offering an elegant and effective solution for privacy and security at events, festivals, and VIP sections. Available in both **black and white**, these screens serve as visual barriers, ideal for backstage areas, production zones, and VIP enclosures.

Constructed from durable, weather-resistant fabric, the screens attach effortlessly to standard fence panels, providing both privacy and wind protection. The neutral color options allow them to blend seamlessly with any event setting, making them a versatile and practical addition to any temporary fencing setup.
